PROMOTER: World Minigolf Sport Federation

ORGANIZER: Deutscher Minigolfsport Verband e.V.

https://www.wagm2026-germany.de

LOCATION OF COURSES: Am Sportplatz 4, DE-59955 Winterberg / Germany

course A: adventuregolf

PARTICIPATION: All active members of the WMF, as long as they came up to their obligations towards the WMF. WMF ExCo can on application approve the participation of nations, which are not yet active members of WMF.

Maximum number of national team players per WMF active member federation is unlimited number of youth players + 12 players in total in other categories, maximum number of national teams is 3 and maximum number of mixed pairs' teams is 6. These players must wear national team clothing.
Additionally club players from active member nations can apply to register, but their applications need to come through the active member federation, in which the player possesses his/her player license. A club player him/herself can't apply to register directly. The club players must wear their club clothing.
The applications of club players can be confirmed preliminarily only after the registration deadline, when we see whether there are free spots left in the tournament or not. WMF or organizers accept no liability for the costs of travel bookings made before the said preliminary confirmation.
Maximum 120 players are basically allowed for the tournament. If more than 120 players are registered by the last deadline and WMF sees no possibility of running the competition according to the schedule, they have the right after checking all options to cut the number of participants down to 120. In such case national team players are always preferred to club players. WMF will then allocate club player spots to all applying active member federations and the federations will decide on which players shall be registered.

Mixed pairs rules:

The playing mode of mixed pairs' final is as follows:

10 pairs qualify for the finals of mixed pairs competition. In case of necessary sudden-death after the qualifying, it will be played as follows: Both players of each pair will play every lane. The total score of both players counts as the score for the pair on the respective lane, following the principles of the qualifying. The playing order on sudden death lane number one: Pair A female player, pair B female player, pair A male player, pair B male player. The playing order of the pairs will change on following sudden death lanes according to the WMF worldwide international sport rules. Inside the pair the female player will always play before the male player.

The final rounds of mixed pairs' competition will start from scratch. Qualifying scores are not taken to the final. The pairs are grouped in reverse leaderboard order of the qualification rounds.

The player in turn to play alternates after every stroke on a lane, until the lane has been completed, or six strokes have been used. The players in a team must use the same ball on a lane from the first stroke until completion of the lane.

The male player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 1. The female player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 1.

The female player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 2. The male player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 2.

In case of sudden-death for medal ranks they will be played immediately at the end of the final. Mixed pairs' mode is used in the sudden-death. Male players start on odd lanes, female players start on even lanes. The playing order of the teams alternates on each lane according to the WMF worldwide international sport rules for sudden-death playoffs.
